

GanoPoly®B+ Ganoderma Polysaccharides

Cardiovascular Care Formula

GanoPoly®B+ contains the new generation Ganoderma lucidum extract manufactured by patented bio-chemical extraction technology utilizes specific low temperature extraction and special activation treatment, achieving this highly concentrated and potent extract.

B+ **GanoPoly®** contains not only Ganoderma lucidum but also Cordyceps sinensis such pure and natural ingredients. As a result, efficacy is further enhanced and the ideal health promoting effects could be achieved.

B+ **GanoPoly®** especially enhances the activity and efficacy of Ganoderma Adenosine and combined with Cordyceps sinensis extract, as a result to support cardiovascular health.

- Supports normal blood pressure
- Supports a healthy condition of our heart and blood vessels
- Helps support normal cholesterol balance and blood sugar levels
- Maintains the normal functioning of our capillaries
- Supports oxygen and energy supply to the heart and brain
- Helps maintain peripheral circulation
- Supports healthy immune system
- Protects cardiovascular cells against oxidative damage
- Supports normal heart function and regularity

B+ **GanoPoly®** “SUPRREME” ingredients: highly potent extract of 100% natural and pure Ganoderma lucidum (red Lingzhi) 500mg (equiv. to 25g dry Ganoderma lucidum), Cordyceps sinensis 100mg (equiv. to 200mg raw ingredients)

Recommended dosage:

Adults: take 2 capsules, 2 times a day

Children (3-12): take 1 capsules, 2 times a day

For best result, GanoPoly® B+ should be taken 1 hour before or after meal.

** Always read the label and use only as directed. If symptoms persist see your healthcare professional. Encore International Ltd. (N.Z.)
